What is Reading Buddies?

Reading Buddies is a reading program where teens and children are matched up for reading in a safe, fun and friendly environment. Younger children will gain practice reading with a caring teen mentors. Teens will develop leadership experience and community involvement. Each child will be matched with teens that like to read and have attended a training workshop provided by the library. Reading will take place in the children's area and the program room. Each session will be supervised by a librarian.

Please note: Reading Buddies is NOT a tutoring service. Our teen readers are neither trained nor expected to correct learning problems or teach children how to read.

Who are the Little Buddies?

Children who are in grade 2, 3, or 4. They must live in Burnaby or attend school in Burnaby. All reading levels welcome!

Is my child expected to attend all five sessions?

Yes! Children are expected to attend all five sessions. This is a popular program. If you're not sure you will be in town during these weeks, please do not sign up and instead wait for another session in the coming months.

Who are the Big Buddies?

Burnaby teens who are in grade 9, 10, 11 or 12.

What will the Buddies do?

Teens will listen and encourage your child in their reading practice, and help select reading material appropriate to their interests and reading level. They will read for approximately 30 minutes and participate in activities together.

We will attempt to match one child with one teen, but there may be days where one teen will read with two children.
