

Welcome back to school

Please follow these routines so everyone stays safe

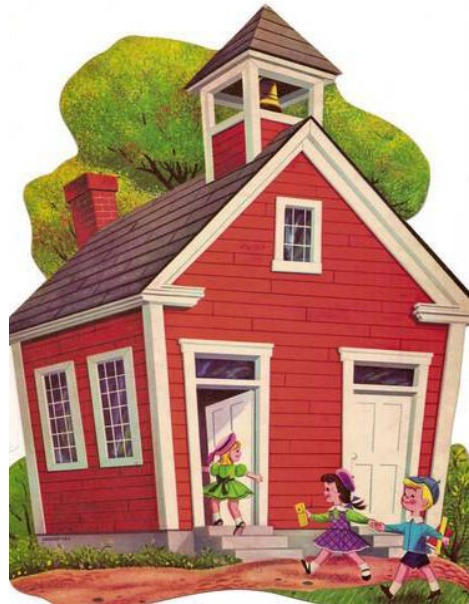

(see our safety checklist for details)

Arriving & Leaving Routine

When you arrive to school, a staff member will meet you with your parent/caregiver at the entrance to the building

Your teacher will greet you, ask if you have any symptoms of illness, if no, they will let you into the building

When your lessons are over, please leave out the same classroom door

While at school

Everyone will have a safety lesson/orientation

Wash your hands immediately upon entering AND exiting the school

Students will use the Universal washroom

If ill at school

Students will be isolated in a comfortable space and supervised.

Parents will be notified and will pick up their child, ASAP
