

COULD YOUR CHILD USE  
A BIT OF HELP WITH  
MATH?

## MENTORING WITH MATH

- Mentoring and math support for students based on the principles of the JUMP Math numeracy program.
- Mentors encourage an understanding and love of math through academic support and play.
- All volunteer tutors are screened and trained prior to joining the program.
- Online sessions are 1 hour, once a week, offered remotely through Zoom (in-person as of Fall 2020).
