**December
2020**

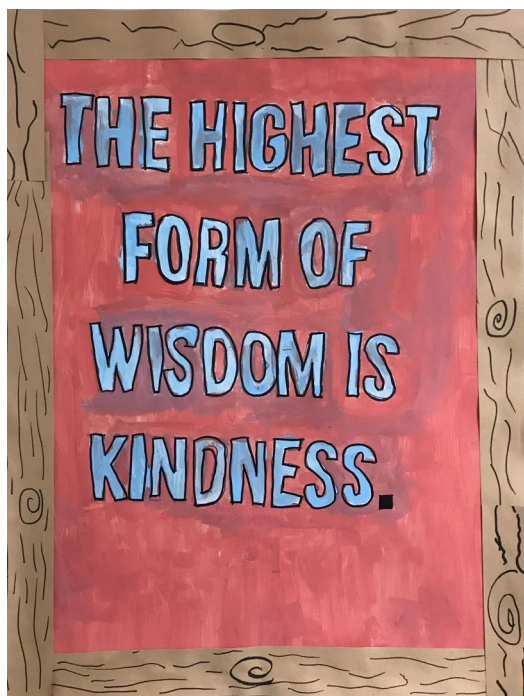

Greetings Windsor families!

November has been quite the month with our students busily working away while the weather cools and dampens allowing time to pause and reflect. Our Remembrance Day assembly was a great success in honouring our veterans and our students paid tribute through song, artwork, and service - we are very proud of each and every one of them.

Our after-school programs have been a great success and we are pleased to report good attendance and engagement. The interagency team met this month to share resources and if families are interested in connecting with seniors, donating to organizations or volunteering, please connect with shahzyah.juma@burnabyschools.ca.

For those in need, please remember to register with the Christmas Bureau to ensure your holiday season is filled with joy!

We wish you all the best over the holiday season! Stay safe everyone :)
