

---Dedicated to Youth---

COME TO OUR PLATINUM JUBILEE CELEBRATION IN THE PARK

You are cordially invited to attend the 70th Anniversary of the South Burnaby Metro Club on Saturday, September 10, 2022 beginning at 12 noon at the **Bonsor Park and Recreation Centre**. This will be a day of entertainment, food, music and organized activities.

In hosting this Open House/Community event we want to showcase our Club and its sports divisions of baseball, soccer and basketball with lots of activities centered around children and the youth of our community.

If you wish to be part of this celebration, there are many ways to assist with this event such as volunteering, fundraising, providing a gift in kind or providing a service on event day. To let us know that you are interested, just email us at sbmcmembership@outlook.com or email your sports chairs with your ideas for the event and how you can help us plan this special 70th Anniversary Celebration.

Perhaps you may like to showcase your company or organization's benefits to the community at this event. To do this, we will be offering exhibit tables for your use at the event. Once again please email us at sbmcmembership@outlook.com or your sports chairs with your ideas.

We look forward to hearing from you. **Thank you!**
