

What You Should Know About

HEART DISEASE

Presented by Dr. Davidicus Wong, Burnaby Family Physician

Thu, Feb. 16, 2023

7:00 PM – 8:30 PM

Online via Zoom

Scan the QR to register!

Join Dr. Wong virtually as he shares what you need to know about heart disease, including:

- Are you at risk for heart disease? What you can do to prevent it.
- What you should know about heart failure, heart attacks, angina, and atherosclerosis.
- Practical tips to help you manage heart disease and maintain your health.

For questions or alternate registration details email Leona at lcullen@burnabydivision.ca or call (604) 259-4450.
