## FEBRUARY EDITION

By Mr. Baldin

As we move into February, Windsor Elementary is buzzing with energy and school spirit! Our Grade 6/7 boys basketball teams are well into their season, and we're so proud of the sportsmanship, teamwork, and determination they continue to show on and off the court.

We're also looking forward to two meaningful celebrations this month. Family Day is a wonderful reminder of the importance of connection, care, and the people who support us every day.

Later in the month, we will come together for Pink Shirt Day, a powerful opportunity to stand up for kindness and inclusion. Our school community takes great pride in creating a safe, welcoming environment for every student, and we're excited to celebrate this commitment together.

Thank you for your continued support and partnership. Windsor Elementary is a special place because of our students, staff, and families.
