## MARCH EDITION

By Mr. Baldin

As we welcome the month of March at Windsor Elementary, there's a wonderful sense of energy building throughout our school. With longer days, brighter weather, and signs of spring beginning to appear, our classrooms and hallways are filled with renewed enthusiasm for learning and for being together as a community. March is always a special month. Students are deeply engaged in their learning, teachers are guiding exciting projects, and everyone is looking forward to the upcoming Spring Break. It's a time to celebrate growth, perseverance, and the many accomplishments our students have already made this year.

As we move toward the break, we encourage families to enjoy time together, recharge, and take advantage of opportunities for rest and outdoor play. When we return, we'll step into the final stretch of the school year ready to learn, create, and continue building the strong Windsor spirit we're so proud of.

Thank you for your ongoing support of Windsor Elementary. Wishing all students and families a safe, restful, and joyful Spring Break!

Thank you,  
Mr. Baldin
