MAY EDITION

By Mr. Baldin

Dear Parents and Guardians,

As we move into May, our school is filled with energy and excitement. We have many wonderful activities coming up, and it's always inspiring to see our students, staff, and families so engaged in school life.

This month is especially meaningful as we look ahead to celebrating our school's Centennial anniversary. It's a special opportunity to honour our past, celebrate the present, and look forward to a bright future together.

Thank you to our students for continuing to show kindness and effort in their learning, and to our staff and families for your ongoing support. Let's keep up the great work as we head into another busy and exciting stretch of the school year.

Warm regards,  
Mike Baldin  
Acting Principal
